By: _____ Date: _____
Revised rate type: _____
By: _____ Date: _____

WAIVER

My application was allowed with restriction due to insufficiency of pressure to accommodate the total additional water demand of my proposed service connection. As a pre-requisite, I hereby agree to the following:

a) The size of water service connection: ☐ 25mm ☐ 32mm
b) SNV will ensure uninterrupted supply of water at all times, except for unavoidable events or circumstances such as routine maintenance, force majeur and the like.
c) The water pump will not directly draw water from the service connection.

Nature of application: _____

WATER SERVICE CONTRACT

TERMS AND CONDITIONS

1. Any misrepresentation, inappropriate data given during interview, or any legal cause beyond the control of SNV Resources Development Corp. resulting to the delay or non-implemented of the work requested, the Customer waives any action against SNV of any liability, except refund.
2. The Applicant/Customer shall abide by the policies, rules and regulations of SNV and all other existing laws and ordinance of the Municipality and the Republic of the Philippines.
3. The Applicant/Customer agrees to maintain the original location of the meter. In case of transfer of water service to another property, prior written approval of SNV shall be secured.
4. The Applicant/Customer agrees to post a guaranty deposit in the minimum amount of P_____, refundable without interests only upon termination of this contract and after the bills have been settled. Otherwise, this deposit will be applied to the unpaid bills.
5. A service fee for consumption of zero (0) to ten (10) cubic meters of water shall be the same for a particular customer class. The service charge will compose the monthly charge, unless otherwise regulatory fees from Local Government Unit will be imposed.
6. Customer is obliged to pay the bills religiously not later than fifteen (15) calendar days after date of billing at the SNV office. Otherwise, failure to pay two (2) consecutive billings after the second due date shall mean automatic disconnection of services without further notice.
7. Bills can no longer be questioned or protested after thirty (30) days from receipt of the bill except in meritorious cases to be determined by appropriate officer of SNV and upon written appeal of the Applicant/Customer. After this period, the Applicant/Customer shall have to pay the bill in full.
8. Reconnection of disconnected services not applied for connection after sixty (60) days shall be disconnected from the mainline. Reapplication after tapping point that has been disconnected shall be considered new connection and all tapping fees and charges shall apply.
9. The Applicant/Customer agrees to report to the SNV any noticeable/excessive/abnormal increase of water consumption.
10. Should any water connections become unserviceable or condemned for one reason or another, the average consumption of the Applicant/Customer for the previous three (3) months shall be the basis for subsequent bills until a new water meter is installed or repaired.
11. The Applicant/Customer agrees not to transfer or extend the water service connection to another party or property particularly those properties where water services are disconnected without prior written approval from SNV.
12. The Applicant/Customer agrees to allow any representative of SNV to enter the Applicant/Customer's premises at a reasonable time of the day for the purpose of inspecting water pipelines to determine the existence of defect, leaks, and all undertaking of the SNV connection with the water service connections.

I have read and understood the terms and conditions applied for our application for a water service connection.
